

CAMPAIGN OPENS FOR CIVIC CENTER

Unusual Response Marked
Opening Day of the
Financial Drive

An unusual response has been given to the Chamber of Commerce campaign to obtain funds for the erection of the proposed civic center building and to increase the budget, according to J. Burr Gibson, general chairman of the drive. Eleven teams started out shortly before noon Tuesday in the work of solicitation. Captains of these teams reported excellent results. The teams commanded by Frank H. Reed obtained cash and pledges of more than \$1,000 the first half day. In the same length of time W. A. Gibson's team obtained about \$900. C. H. Perdue's team \$2,300, and N. R. Graham's team approximately \$1,500.

Other teams are commanded by J. W. Woodford, Alva J. Niles, J. E. Abbott, C. R. Lynch, Dan Hunt, Orra E. Upp and Dan J. Davidson. Most of these were in the field all of Tuesday afternoon but did not report Tuesday evening.

The executive committee is composed of Chas. B. Peters, president of the Chamber of Commerce, H. P. Brewer, A. L. Farmer, A. W. Harter, H. G. McClure, V. J. Hartman and C. R. Avery. This committee handles the larger subscriptions.

According to Gibson, a number of supporters of the Chamber of Commerce not only donated to the building fund but also substantially increased their membership dues in the organization so it may have more funds with which to carry on its program.

Within the next few days a committee of 50 is to be perfected and it will be the duty of this committee to interview all members of the Chamber of Commerce who are now making unusually small contributions for its maintenance.

Dinner Dance Concludes Business Conference

With a dinner dance at Hotel Tulsa last night state representatives of the Bankers Life Insurance company of Des Moines, who met in Tulsa Tuesday in honor of a visit of G. S. During the day the state representatives met in the offices of A. L. Spence, chief representative in this state. Short business talks were made by two company officials and several of the representatives from over the state. Spence said it was one of the most successful meetings ever held here.

Transcript of Judgment
on Dominion Oil Co.
Filed in N. Y.

WHITE PLAINS, N. Y., May 2.—Another step in a giant legal battle to make effective and collectible a judgment of \$3,810,452.95 against the Dominion Oil company, one of the group of interests controlled by former Governor Haskell of Oklahoma was taken this afternoon. Transcript of a judgment obtained in New York county by William G. Heibord, against M. G. Collins, as president of the Dominion Oil, was filed in West Chester county court because Collins' home is in Scarsdale.

Dominion Oil, a Texas company, denies jurisdiction and has moved all papers and records from the state. Heibord now plans to prove common ownership of the Dominion Oil company and Middle States Oil and take legal action to collect the sum from the latter. The sum for which judgment was rendered is alleged to be due by Dominion Oil at the time of its formation.
